ON-SITE FLU VACCINATION PROGRAM

An on-site flu clinic event is the best way to provide your employees with flu shots. This program provides each event with:

Trained Pharmacists- Our pharmacists are trained in flu shot administration and documentation. Your employees are in good hands with our staff!

Coordination & Registration- From your first call to the final shot, our team will help make flu season worry-free. We will coordinate the best time, place and methods with you to ensure it is a success.

Education & Information- You will receive all of the necessary information on your event from our staff before your clinic. Our staff will be available to answer any questions during the event.
